SCHEDULE

Ladies have you ever wondered what it would be like to shoot a muzzle loading rifle? This event is your chance to do just that. Grand Valley Cap N Ballers welcomes you to a very different event than we have had in the past. An event just for ladies. The fun begins at 8:30 am on Saturday morning with a safety and marksmanship class, which must be attended by all registrants. This will help new shooters and veteran shooters alike become comfortable with each other while on the line and to hopefully learn some new skills (we're never too old to learn). Don't have a rifle that you can shoot? Not a problem; we do – and supplies too – and we will be happy to provide them to you. So grab your friend, your sister even your mother and grandmother and join us at Grand Valley Cap N Ballers for a fun filled ladies only weekend. The focus will be on having fun while you are shooting and sharing your experiences with each other.

This is mostly a one (1) day shoot, with Saturday line matches and games followed by awards given after the evening meal. We will however, continue to have a long hunter match on Sunday, should you wish to stay and camp with us.

There will of course be competition targets, but there will also be targets where those of you with less experience will have the chance to win or place. In addition to the shooting events, there will be several traditional games in which everyone can participate.

Registration this year will be \$20.00 per person, which will include all matches, games, lunch and dinner on Saturday. Water and coffee will be available at any time during the day and donations are accepted. Both primitive and modern camping are available with firewood and plenty of water available. Electricity is available at \$10.00 for the weekend.

Note: No Rifle Scopes will be allowed in any matches
