WELCOME MUZZLELOADERS

For more than 50 years GVCnB has presented one of the largest and best muzzle loading events in the Midwest. When you come to shoot at GVCnB, you will find something for competitors of all ages and experience—line, primitive, and silhouette matches, a complete shotgun program, and much more. And—our off-hand, bench, and shotgun ranges are covered. Meals will be available at the clubhouse; as will ice cream,.

REGISTRATION: Rifle, Pistol, etc.: A fee of \$25 per individual or \$40 per family (husband, wife, all children 17 and under) covers all regular matches, prize drawings, camping, and setting up as a trader. Each competitor must request his/her targets separately. To pre-order targets and/or to reserve a **specific trading site**, send your request, before July 20 to **Dawn Thurkettle, P.O. Box 14, Dorr, MI 49323**. Targets will then be waiting for you at the target shack. Each competitor may shoot as many matches as he or she is eligible for, but we respectfully request that you do not ask for targets you will not use, or for matches you are not eligible to shoot. *And*, each registered shooter will receive a ticket to be placed in a drawing for door prizes!

To register as a shotgunner *only*, fees are \$15 per individual or \$25 per family. In addition, if you also plan to shoot rifle and pistol an additional fee of \$10 individual, \$15 family is necessary to receive targets.

CAMPING: Both primitive and modern camping are available, and *primitive non-shooters may register for \$10*. You will find firewood and plenty of water available. Limited electricity is also available (*no air conditioners*) on a first-come-first serve basis at \$10. **All persons occupying a camping site must register, whether shooting or not.**

PETS: Owners are responsible for taking care of & cleaning up after their pets. Pets must be kept quiet and not allowed to roam freely. Failure to abide by these rules will result in the owner being asked to remove the pet!

PLEASE NOTE :

Trade guns must be flintlocks of at least .54 cal. without a rear sight above the plane of the barrel and having a simple single trigger. Line matches may be shot any match any time each day. Competitors are responsible for stapling, posting, and pulling their own targets. You may use your own stapler. **Please remove staples before turning in targets.** Offhand relays are 25 minutes; Bench and X-Stick matches at the high range are 25 minutes. Sight shades may be used. Pistol and revolver may use 2 relays. All matches are 5 shots except 27-32. Pistols and revolvers require a one hand hold. Matches 4 through 47 will pay 3 places.

Grand Valley Cap 'N' Ballers™ reserve the right to make changes in this schedule where necessary.

PRIMITIVE PROGRAM
