PRESENTS

THE LADIES RIFLE FROLIC

AUGUST 27TH & 28 2016

Well ladies, it's time once again for the "Ladies Rifle Frolic."

Shoot only what you want, when you want. It is not mandatory you shoot it all!

No scopes (except spotting scopes.) No inline rifles will be used.

We will have a (8 target over all agg., for those who want to do it. The 100yd target is just a tie breaker. If you choose to shoot the agg., please shoot it. You may only mark on the paper, but sometimes that's all it takes.

Come Friday night and stay over, or come Saturday morning. Pre-registration is available. Just respond to the contact address on the back. Registration will be open Friday at 6pm and Saturday morning at 8pm. At that time you will receive your targets and shooters packet. Just stop and pick them up.

Registration is \$20.00 and electric for the Week-end is \$10.00 if you use electric.

Both Sat. and Sun. morning there will be Coffee and rolls at the club house. Otherwise it is do it yourself at your camper or tent. There are restaurants nearby.

We will be serving lunch at the club house

From 12pm to 1pm. - Drinks will be available there as well.

Saturday evening we will have our annual potluck. Main meat will be furnished, and everyone bring a dish to pass.

All matches will have at least 1st, 2nd and 3rd place prizes.

I urge all new & newer ladies who don't shoot often or have never taken a match at any muzzle loading shoot to shoot the Novice targets first.

NO SHOOTER has to complete the entire program. Come and shoot only what you feel comfortable doing.

Frying pan, rolling pin, apple peeling , 4pm- 5:30pm Sat. Fire starting and hawk and knife will be from 1pm until 4pm.

Novelties shoot at end of line, bring a \$10 prize and take one home. Time will be posted. Remember, GV has a covered range to shoot under for bad weather.

Protest Period: Sun. 1-1:30pm – AWARDS: Will be Sun. at 2pm at club house.

Remember: You do not have to shoot the whole agg to win in a match. But, if you choose to try and win the whole agg., you must shoot targets 1-8 + 13.
